

Voice Artists

Impress your clients with professionally recorded greetings

A phone call in most cases is the first point of contact a client makes with your business and it is the first impression that matters most. Our team will help you to design and develop a script that will impress your clients.

Hosted
PBX

1300/1800
services

Onsite PBX
via SIP Trunk

\$77

Per recording of up to
30 seconds

\$65

Per recording for more
than 5 recordings

Our service includes

Script Writing

Our creative team work closely with you to create the most effective script for your business. You approve the script when you are 100% happy with the final result before it goes into production.

Music included

We have an extensive music library with choice of music from different styles that include corporate, funky, dance, chillout and more. We can help you select tracks that will best suit your business image.

Professional Voice Artists

We use Australia's leading voice artists to compliment your on hold production. You can choose male or female voice artists from the selections available
